

Revelation: At the Throne

Revelation 4-5

**Seeing God on the throne
equips us to overcome.**

- Watch The Throne**
- 808s & Heartbreak**
- JESUS IS KING**

Watch The Throne

- John sees the throne room so he can see how reality there shapes all of life
- God's throne is mentioned more times in these 2 chapters than in the whole NT (outside of Revelation) combined
- To live as overcomers, we need a big picture of God on the throne

808s & Heartbreak

- When you see God clearly, you can't help but worship
- Worship - living in a way that shows something is valuable
- If your life isn't marked by worship of God, your problem is perspective - you're not seeing God on the throne
- The scroll is God's plan for history

JESUS IS KING

- The worship of the Lamb shows that Jesus is God
- The Father and Jesus have the same character and heart for humanity
- Jesus conquers through suffering, and so do His people
- Jesus' victory and kingship means the church has a job to do
