

# Through the Bible: Jesus is Better

Hebrews 8

**Jesus is better than \_\_\_\_\_.**

- The Life You Want**
- Wrong Ways to Get It**
- A Better Way**

# The Life You Want

- We all want a good life
- The danger is in loving the comforts of this world more than we love Jesus

Hebrews 8

# Wrong Ways to Get It

- When we love our desires too much, we can see God as a barrier to our true desires in life
- Turning from God often consists of a series of small compromises

# A Better Way

Jesus:

- Is our mediator with God
- Is our perfect sacrifice
- Is in a position of power and authority
- Has finished with the work necessary to save us
- Is better (than anything else we try to put in His place)
