# Revelation: Seven Trumpets

Revelation 8-11

**God uses suffering to bring  
the world to faith.**

- Warnings**
- Witness**
- Victory**

# Warning

- Goal of the trumpets: To get the unbelieving world to trust in Jesus
- Trumpets are more intense than seals partially because they involve demonic attack
- Everyone worships; The only choice is whether to worship God or idols/demons
- Humanity refuses to repent because they're deceived by Satan and his forces

Rev. 8-11

# Witness

- God protects the church because He has a job for us
- Our job: witnesses and prophets
- The thing that leads the world to trust in Jesus is seeing how Christians suffer for Him
- Our suffering is an invitation to join in the suffering of Christ and bring life to the world

# Victory

- Knowing our future is secure gives us the strength to suffer well for Jesus today
- 11:15 - The perfect tense of “has become” means God’s kingdom has already fully invaded our world in the vision
- The removal of “is to come” in 11:17 happens because Jesus has already come again at this point in the vision
