A good husband helps his wife flourish

- 4 Traits of a Good Husband
- A Word for the Overwhelmed

4 Traits of a Good Husband

1. Searches for an excellent wife
 - Looks for character, not just charm

4 Traits of a Good Husband

2. Trust his wife (and acts in a trustworthy way toward her)
 - One of the only times in the Bible trusting in someone other than God ends well
 - His actions create an environment in which his wife can look to the future with joy, not fear

Proverbs 31:10-31

4 Traits of a Good Husband

3. Empowers his wife

- “To husband” means “to cultivate”
- He gives the freedom and resources for his wife to accomplish things she couldn’t do on her own
- When the husband empowers his wife, he benefits

Proverbs 31:10-31

4 Traits of a Good Husband

4. Praises his wife

- Not just generally, but for the specific things she does

A Word for the Overwhelmed

- This teaching is meant to be a path to life, not a burden
- But you can't do it on your own
- The Bible says God is the perfect husband
- It's by understanding and appreciating His love for us that we grow into the husbands He wants us to be

Proverbs 31:10-31
