Revelation: Victory is Coming

Revelation 19-20

**Knowing God's future gives
us hope today.**

- A Wedding**
- A Millennium**
- A War**

A Wedding

- God makes and keeps covenants with His people
- SO, you are not alone
AND joy and celebration, not despair always
have the last word in your life
- THEREFORE, we ought to live with joy and hope
AND live as His faithful spouse

A Millennium

3 Views:

1. Premillennial - Jesus will return before the millennium
2. Postmillennial - Jesus will return after the millennium
3. Amillennial - The millennium is symbolic for the time between Jesus' life on earth and second coming

A Millennium

- The binding of Satan happened during Jesus' ministry on earth (Matt. 12:29)
- He is bound so the gospel can go forth into the nations
- SO we can live with hope, because Satan can't stop God from fulfilling His plans
- THEREFORE we are called to share the gospel boldly

A War

- Jesus defeats all His enemies so He can bring blessing to the earth
- He conquers them through the cross
- **THEREFORE** we can live as conquerors, or overcomers, today
